Dear Parents,

As per the directions of the honourable PM of India, the lockdown has been further extended till the 3rd of May, 2020. During this difficult time we need to support each other. We hope you and your loved ones are safe at home. Please note the following:

1. Shining Star Public School is always concerned about students' well being and education. We are continuing our endeavour of providing quality online education during the lockdown.

2. The School is and will keep on supporting the endeavours of local state and national organisations to combat COVID-19 eg PMcare, DC Red Cross, local community, etc.

3. The School staff's role is appreciable. Even during this difficult lockdown time, they are working hard from home to provide online education. Online work from home to continue with the goal of providing quality education.

4. No late fee and no transport fee until lockdown or until school reopens, as per government directives. We are sensitive towards everyone's circumstances and understand the difficult time everyone is going through.
